

Organizational Change

1. Organizational Change (As of November 1 , 2014) ※Only major changes listed

< HPS Promotion Office, Automotive Hose Business Unit >

In order to promote HPS (Hose Production System) activities* which have been managed as an internal project, HPS Promotion Office is organized under Automotive Hose Business Unit, aiming for the spread and acceleration of its activities at Matsusaka Plant, where automotive hoses are produced, and the diffusion of its know-how to the overseas manufacturing bases.

*HPS activities: Activities pursuing the operational efficiency of the automotive hose production, including IE(Industrial Engineering), JIT(Just In Time) and quality improvement.
