Organizational Change

1. Organizational Change (Effective 1st Nov 2012)
   ※Only the main changes are mentioned here.
   <Automotive Hose Business Headquarters>

   In order to push forward the structural reform of the Automotive Hose Business, a 「Business Strategy Office」 and a 「Global Business Development Department」 will be newly set up at the Automotive Hose Business Headquarters.

   Also, the Automotive Hose Production Division and the Automotive Hose Quality Control Divisions will be condensed, and reorganized into the 「Komaki Hose Production Division」 and the 「Matsuzaka Hose Production Division」.
