Organizational Change

1. **Organizational Change** (As at Aug 1st 2013)  
   Listed here are only the major changes

   <Industrial Products and Materials Business Unit>

   In order to strengthen our product & technology development capability, what was the "Industrial Products and Materials Engineering Department" will be split into a specialized products & earthquake proofing section, and a residential housing section, which are to be newly reorganized as the "Industrial Products and Materials Engineering Department" and the "Housing Products Engineering Department".
